Welcome to “LGBT Survey 2010”!

This research is conducted by **Háttér Support Society for LGBT People** and the **Institute of Sociology of the Hungarian Academy of Sciences**. Its aim is to get a detailed picture about the situation of LGBT people in Hungary, their problems and opinions to help the work of civil society organizations and state agencies working in the field of equal opportunities.

Filling the questionnaire is completely anonymous, and takes about 45 minutes.

Mark your responses in the questionnaire by **underlining** the selected option, and filling in the requested information!

In the questionnaire we often use the acronym **LGBT** which stands for all sexual minorities. It consists of the first letters of the words lesbian, gay, bisexual and transgender.

Please send the questionnaire to **lmbtkutatas2010@hatter.hu**, or post it to the address of Háttér (1554 Budapest Pf. 50.)!
